DECLARATION UNDER 37 C.F.R. §1.132

As the below named inventor, I hereby declare that:

I am one of the inventors of the subject matter which is claimed and for which a patent is sought in the application entitled "**Application Program Interface for Network Software Platform**," as identified above.

I hereby unequivocally declare that the relevant portions of the reference, "Presenting C#", authored by Christoph Wille, © 2000, cited by the Examiner in the rejections of the claims in this application, originated or were obtained from the inventors of this application. Thus, this declaration under 37 C.F.R. §1.132 establishes that the subject matter cited in the reference "Presenting C#", should be properly attributed to the inventors of this application under MPEP § 716.10, and accordingly, is not applicable as a valid reference to reject the pending claims.

All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued therefrom.
